

## 2010 Virginia Beach Master Gardener Speaker's Bureau (Issued 3-01-10)

Virginia Beach Master Gardeners are a non-profit volunteer organization sponsored by Virginia Cooperative Extension. The following list of subjects is currently available through the Virginia Beach Master Gardener Speaker's Bureau. To make arrangements for a speaker, please contact Susan French, Virginia Beach Extension Agent, at [sfrench@vbgov.com](mailto:sfrench@vbgov.com) or 757-385-4769. Please request a specific topic, and provide information on the date, time, location, and approximate number of attendees.

The Virginia Beach Master Gardener Speaker's Bureau does not charge a fee for speakers; however, a donation from your organization will assist the Master Gardeners in providing educational classes to over 2,400 students each year, and in presenting other environmental horticulture programs to the community.

Donations may be made payable to: Virginia Beach Master Gardener Association, and sent to: Virginia Beach Extension Office, 2449 Princess Anne Road, Building #14, Virginia Beach, VA 23456. Reimbursement for speaker travel expenses may be requested outside of the Hampton Roads area.
